

Community Connections

Helping people see their potential.

Community Connections Training Services

Community Connections Training Services (CCTS) through Towerview Industries is a training program designed to help individuals with disabilities develop and improve work habits and skills. Our goal is to help individuals reach a greater level of personal independence by helping them prepare for community employment while achieving communication and social skills. CCTS provides individual and group training for a variety of socialization, academic, daily living, and pre-vocational skills. Our professional staff provides a calm, pro-active environment in both the workshop and community settings. Our person centered planning approach will encourage the empowerment of each individual to reach his/her personal goals and dreams.

Admission Requirements

To be considered for admission to the CCTS program, an individual must be at least seventeen years old, and meet the following criteria:

- ★ have been diagnosed with a physical, mental and/or emotional disability.
- ★ meet eligibility requirements for funding sources such as Medicaid. Private pay is an option.
- ★ reside in Whitley County or a contiguous county
- ★ be capable of participating in services on a regular basis as recommended by the Individual Support team.

Benefits

- ★ Personal attention from our professional staff as well as the Program Coordinator.
- ★ Our dedicated staff members complete training each year including Crisis Prevention and Invention, CPR, first aid, and behavioral supports.
- ★ Passages' programs are accredited by the Commission on Accreditation for Rehabilitation Facilities (CARF) and the State Department of Health.
- ★ Towerview Industries facilities are fully handicapped accessible.
